## Do you know what type of beer goes best with sushi?

Lager, because of its light and crisp taste, makes an excellent complement to seafood and sushi. Stouts, lagers, ales, pilseners, light beer, dry beer or whatever you prefer, all provide incredible taste experiences when paired appropriately with food. The Beer Store is the only place in Ontario that has over 300 brands to choose from. So go ahead, experiment and take your enjoyment of beer to a whole new level.
