

21 Light & Ultra-Thin Fonts for Your New Designs

Design - *Web Design Ledger*

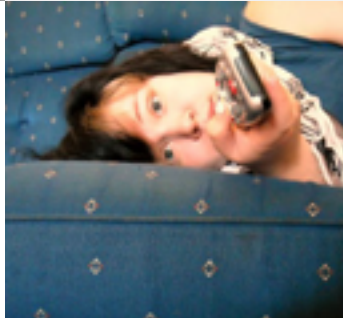

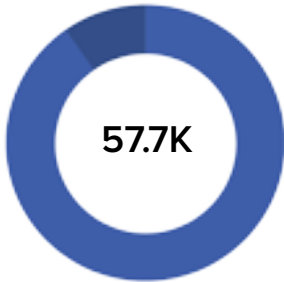

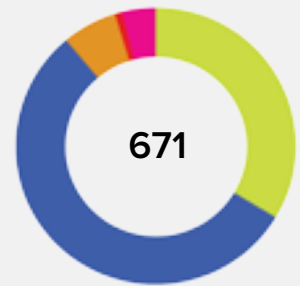

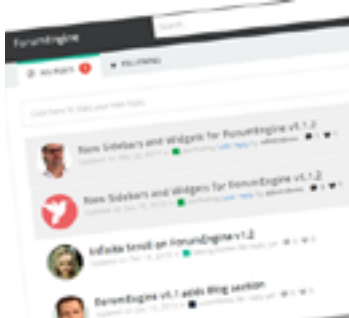

Have you ever thought that 90% of the information on the web is text? That's why designers should have a great basis of fonts while formatting a look of written content...

15 Things You May Not Know WordPress Can Do

Dev - *SitePoint*

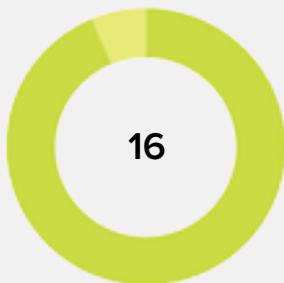

We all know WordPress as the perfect tool for running a blog or regular website. But due to its open architecture, WordPress is much more than just a CMS.

Netflix is looking to pay someone to watch Netflix all day

Tech - *Engadget*

Ploughing through your new favourite series on Netflix is something you probably enjoy doing after a working day, but what if it was your working day?

Wearable tech category

PR - *Shel Holtz*

Hospital leaders everywhere struggle to get staff to wash their hands. Studies reveal that, without campaigns and reminders, hospital workers wash their hands about 30% of the time they're working with patients.

Jimmy Kimmel & Guillermo Learn Sia's "Chandelier" Dance

Humour - *Jimmy Kimmel Live*

The star of Sia's "Chandelier" music video is a young girl named Maddie Ziegler who is a phenomenal dancer. Jimmy saw the video and decided that he...
