Learning More About Creativity And Innovation From LEGO

Design - *Smashing Magazine*

Many companies and design agencies tend to look at the design and creativity stage from a narrow perspective. Usually, the design team is locked inside the ideas...

Pure CSS parallax scrolling websites

Dev - *CSS-Tricks*

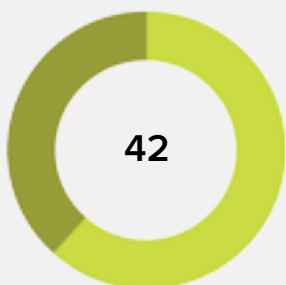

Parallax is almost always handled with JavaScript and, more often than not, it's not very performant with the worst offenders listening for the scroll event...

Microsoft Announces August Update To Windows 8.1

Tech - *Engadget*

We've seen levitating pens, levitating lamps, levitating loungers and even levitating fish -- now there's a Bluetooth speaker to add to the mix. OM Audio, maker of such...

Robin Williams dies in apparent suicide; actor, comic was 63

PR - *Shel Holtz*

I can only hope Robin Williams' passing will help bring mental illness farther out of the shadows. RIP...

Tribute to Robin Williams

Humour - *George Takei*

This tribute brought both a smile and a tear, just like Robin Williams himself so often did.
