How to decline requests for free work with style

Design - *Webdesigner Depot*

It's aggravating and demeaning when a business asks for free work. You feel belittled and often foster an urge to prove that you offer a professional service...

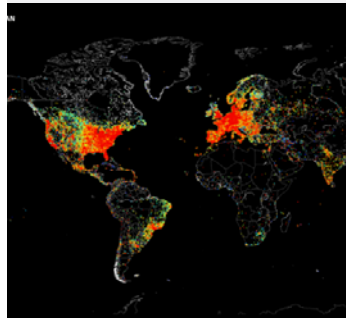

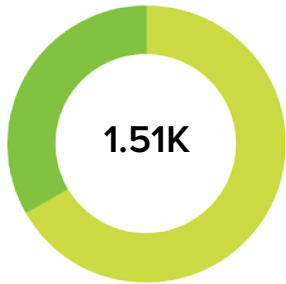

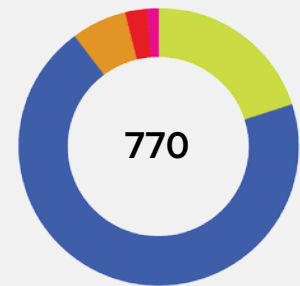

LOST

PHP 5.6.0. Released

Dev - *SitePoint*

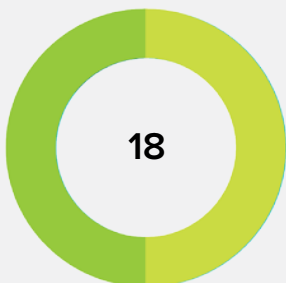

PHP 5.6.0., considered a very important cornerstone by many, has been released today. We've talked about the changes this version brings in previous posts, and others have written about it, too...

A Map of Every Device in the World Connected to the Internet

Tech - *Gizmodo*

Where is the internet? This map might explain it better than any statistics could ever hope to: The red hot spots show where the most devices that can access the internet...

Top 15 books for communication professionals to read

PR - *IABC*

Stuck for something to read in a subject area close to the internal communicator's heart? Here are some of the books I'd like to recommend for your vacation...

Jennifer Aniston, Courteney Cox, Lisa Kudrow and Jimmy Kimmel in "Friends"

Humour - *Jimmy Kimmel Live*

Jimmy was a big fan of the show Friends.
