

Think Your App Is Beautiful? Not Without User Experience Design

Design - *Smashing Magazine*

Aspiring to beauty in our designs is admirable. But it doesn't guarantee usability, nor is it a product or marketing strategy. Like "simple" and "easy" before it, "beautiful"...

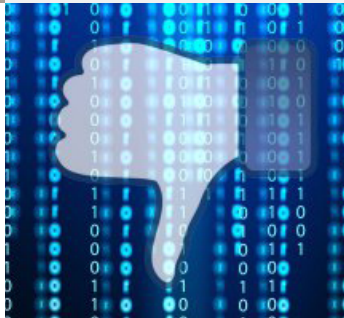

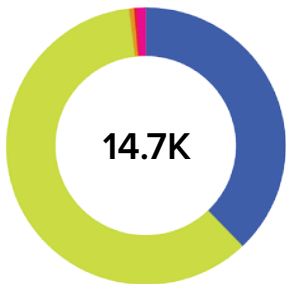

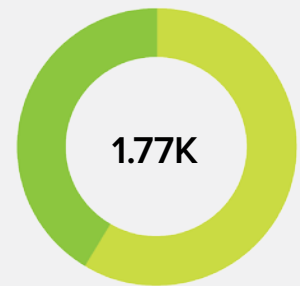

"BEAUTIFUL"

Welcome to Verge 2.0

Dev - *Paul Irish*

The Verge goes all-in on responsive web and is nuking their native apps. This also means that our dedicated apps and API for third-party apps will be going away...

Twitter says a Facebook-style filtered feed is coming...

Tech - *Gigaom*

At a financial conference, Twitter's chief financial officer Anthony Noto suggested that the service will offer algorithm-driven curation of feeds much like Facebook.....

The Enterprise Mobility Maturity Model

PR - *Daniel Hudson*

Building mobile apps is difficult. Mobility is a fundamentally different language than the one spoken by yesterday's desktop and web apps – new contextual information...

Kathy Griffin's NUDE ALS Ice Bucket Challenge

Humour - *Jimmy Kimmel Live*

Kathy Griffin accepts Suze Orman's nomination to do the ALS Ice Bucket Challenge naked. Kathy's friends A.J. McClean and Aubrey Plaza help out.
